

REQUEST FOR INFORMATION (RFI)

Certification, Load Testing & Inspection Services for CKE2500G Crawler Crane

TRI-RFI-2026-008

Tristar Port of Guyana Request for Information (RFI):

RFI Title:	Certification, Load Testing & Inspection Services for CKE2500G Crawler Crane
RFI Issue Date:	June 29, 2026
RFI Description:	Tristar Inc. has commenced the procurement process for the inspection, certification, and load testing of its CKE2500G Crawler Crane located at its Port and Shore base Facility in Versailles, West Bank Demerara, Guyana. Tristar Inc. is seeking information from qualified inspection agencies, lifting equipment specialists, and certification bodies interested in participating in a competitive procurement process. This RFI will be used to identify and shortlist service providers with the required technical expertise, certified inspectors, specialized testing equipment, and proven experience in the inspection and certification of crawler cranes and heavy lifting equipment operating within the oil and gas, marine, construction, and industrial sectors.
Submission:	Submission Deadline: July 13, 2026 at 16:00 hrs (Guyana Time) Responses must be submitted electronically as follows: • in PDF format, • to email address: procurement@tristarguyana.com, and • with email subject: RFI Response - CKE2500G Crane Certification & Load Testing
Clarifications:	Clarification Deadline: July 7, 2026 at 16:00 hrs (Guyana Time) Clarifications must be submitted electronically as follows: • to email address: procurement@tristarguyana.com, and • with email subject: Clarification - CKE2500G Crane Certification & Load Testing

Project Highlights:

- Full inspection of one (1) CKE2500G Crawler Crane
- Proof load testing in accordance with applicable international standards
- Structural and mechanical inspection
- Inspection of boom, jib, hook blocks, wire ropes, sheaves, drums, pins, and lifting components
- Functional testing of safety devices and control systems
- Non-destructive testing, where required
- Review of maintenance history and previous certification records
- Issuance of inspection report identifying defects and recommendations
- Issuance of load test certificate and certificate of fitness, where applicable
- Services to be performed on-site at Tristar Inc.'s facility

Information Requested:

- Company profile
- Company Registration, NIS Certificate, TIN Certificate, and Local Content Certificate, where applicable
- Accreditation and certifications, such as ISO 17020, ISO 9001, or equivalent
- Qualifications and certifications of inspectors
- Experience performing inspections and load testing of crawler cranes, lattice boom cranes, and heavy lifting equipment within the last five (5) years
- Client references for similar projects
- Details of testing equipment and calibration certificates
- Sample inspection reports and certificates, where available
- Health, Safety, and Environmental (HSE) policies and performance records
- Quality Management System details
- Availability of personnel and estimated mobilization timeframe

This RFI is issued solely for information-gathering and vendor prequalification purposes. Issuance of this RFI does not constitute a commitment by Tristar Inc. to issue a Request for Quotation (RFQ), Request for Proposal (RFP), or award a contract.
