**Provision of Security
Company Establishment
and Support Services**

TRI-RFI-2026-008

Tristar Port of Guyana Request for Information (RFI):

RFI Title:	Provision of Security Company Establishment and Support Services
RFI Reference:	TRI-RFI-2026-008
RFI Issue Date:	July 3, 2026
RFI Description:	Tristar Inc. has commenced the procurement process for the establishment and operationalization of a security company to support its operational requirements at its Versailles location. Tristar Inc. is seeking information from qualified consultants, security specialists, and professional service providers interested in participating in a competitive procurement process. This RFI will be used to identify and shortlist organizations with the required expertise, regulatory knowledge, industry experience, and implementation capability to provide comprehensive support for company establishment, licensing, regulatory compliance, security personnel training, operational readiness, and related advisory services in accordance with the applicable laws and regulations of Guyana.
Submission:	Submission Deadline: July 17, 2026 at 16:00 hrs (Guyana Time) Responses must be submitted electronically as follows: • in PDF format, • to email address: procurement@tristarguyana.com, and • with email subject: RFI Response - Provision of Security Company Establishment and Support Services
Clarifications:	Clarification Deadline: July 10, 2026 at 16:00 hrs (Guyana Time) Clarification requests shall be submitted electronically as follows: • to email address: procurement@tristarguyana.com, and • with email subject: Clarification - Provision of Security Company Establishment and Support Services

Scope Highlights:

- Support for establishment and operationalization of a security company
- Advisory support for company setup, licensing, and regulatory compliance in Guyana
- Guidance on documentation required for operational readiness and compliance
- Support for security personnel training frameworks and capability development
- Review of applicable security operating requirements, policies, procedures, and standards
- Support for security operations planning, staffing structure, reporting lines, and governance
- Guidance on quality management systems and Health, Safety, Environment, and Quality (HSEQ) policies
- Development of an indicative implementation timeline and readiness milestones
- Advisory support for internal controls, reporting, and compliance documentation
- Support services aligned with Tristar Inc. operational requirements at its Versailles location
