Utility Vehicles (UTVs) | TRI-RFI-2026-002

Tristar Port of Guyana Request for Information (RFI):

RFI Title:	Utility Vehicles (UTVs) for Site Operations
RFI Issue Date:	June 23, 2026
RFI Description:	Tristar Guyana Inc. has commenced the procurement process for the supply and delivery of Utility Vehicles (UTVs) at its port and shorebase facility in Versailles, West Bank Demerara, Guyana. Tristar is seeking information from qualified and experienced suppliers for participation in a competitive procurement process. This RFI will be used to identify and shortlist suppliers with the technical expertise, proven experience and product capability, required to meet Tristar Inc.'s operational requirements.
Submission:	Submission Deadline: July 7th, 2026 Responses must be submitted electronically as follows: • in PDF format, • to email address: procurement@tristarguyana.com, and • with email subject: RFI Response – Utility Vehicles (UTVs) – Tristar Port of Guyana
Clarifications:	Clarification Deadline: July 3rd, 2026 Clarifications must be submitted electronically as follows: • to email address: procurement@tristarguyana.com, and • with email subject: Clarification Request - RFI: Utility Vehicles (UTVs) – Tristar Port of Guyana

Project Highlights:

- Suitable for industrial site operations
- Personnel transport across the site
- Security patrol support
- Maintenance activity support
- Light cargo movement

Information Requested

- Company profile
- Available UTV models and specifications
- Relevant project experience and references
- Warranty and after-sales support information
- Spare parts availability
- Delivery lead times
- Export experience to Guyana or the Caribbean

The final scope of supply, technical specifications, and commercial requirements will be issued during the RFQ/RFP stage to suppliers shortlisted based on their experience, capabilities, and overall suitability.
